About Council for Leather Exports (CLE)

The Council for Leather Exports (popularly known as CLE) set up in July 1984, is an autonomous non-profit company registered under the Indian Companies Act, 1956 entrusted with export promotion activities and development of the Indian leather and footwear industry. CLE, sponsored by Ministry of Commerce and Industry, Government of India is the single largest and Apex trade promotion organization of the strong and rapidly growing Indian leather & leather products industry. Nearly 3500 manufacturer exporters of leather footwear, non leather footwear, footwear components, leather garments, leather goods & accessories, leather gloves, saddlery & harness products and finished leather are registered with CLE.

CLE caters to the needs of the leather exporters and serves as a connecting bridge between Indian leather exporters and buyers all over the world. This way, CLE acts as a facilitator for building relationships between overseas buyers/investors and their Indian counterparts to promote exports from the Indian leather industry. As a government sponsored nodal agency, CLE is a one-stop source for international investors to not only access all the information, but also avail the guidance they need, to set up a successful venture in the Indian marketplace. Ever since its inception about two decades ago, CLE has served as a powerful engine for the growth of the Indian Leather industry in the global market, through the adoption of modern, transparent and superior industry practices.
