Dean
Sushma Swaraj Institute of Foreign Service
Ministry of External Affairs

During the last quarter of 2021, the Sushma Swaraj Institute of Foreign Service (SSIFS) had a packed calendar and conducted courses for Indian officers and officials and foreign diplomats both at the campus and in an online mode. The easing of the COVID-19 situation in the country made it possible. We had put in place an ambitious programme for the coming months including resuming many of the postponed programmes due to the COVID-19 pandemic. But our plans got affected with Omicron being declared a Variant of Concern (VOC) by the World Health Organization (WHO) in the last week of November 2021. SSIFS is now constrained to either further postpone or conduct online the programmes for the foreign diplomats and Indian officials till the situation stabilizes.

The Mid-Career Training Programme-II (MCTP-II) for IFS officers of the 2005 batch was conducted online in October 2021 for officers posted both at Headquarters and in Missions and Posts abroad. SSIFS, in collaboration with the think-tank India Foundation, organized the second edition of the 'Sushma Swaraj Lectures (SSL 2021) on Introduction to India' for resident foreign diplomats under the aegis of *Azadi Ka Amrit Mahotsav* (AKAM) on 21-22 October, 2021. Fifty diplomats from forty-three countries took part. The objective of the lecture series was to introduce India to foreign diplomats resident in India. SSIFS hosted thirty diplomats from The Gambia in November 2021 in the 2nd Special Course for their diplomats posted not only in Banjul but also in their Embassies in Belgium, Ethiopia, USA (Washington DC and New York) and Turkey. The first-ever Special Course for Diplomats from Oman was conducted in December 2021 for two-weeks. The group had a perfect gender balance with twelve lady diplomats in a group of twenty-five!

The last two months of 2021 were momentous for MEA officials as comprehensive two-week Induction Training Programmes (ITP) were conducted for Personal Assistants and Stenographers (22 November-03 December) and Batch-I of Assistant Section Officers (13-24 December) of the 2017 and 2018 Batches. The Institute of Secretariat Training and Management (ISTM) collaborated in the conduct of these programmes. Although the ITP was conducted almost after a year or more of their joining the MEA due to the pandemic and a host of other factors, both groups appreciated the courses and were unanimous that this would qualitatively improve their functioning in the Ministry. It also led to strong bonding and *esprit de corps* amongst them.

Videsh Sewa wishes all the SSIFS alumni and readers a very happy, bright, healthy, prosperous and successful New Year!
